Dorset, BH14 9BZ

Form is temporary but class is permanent. Never has this been more true than when referring to the Mercedes SL. The most popular of 3 engine choices of its time, our SL 320 has retained every bit of class that it left the factory with almost 30 years ago. In addition to the luxuriously carpeted interior, and its very well-maintained blue cloth roof, the very popular Carlsson wheels featured on this particular example makes it even more desirable. Another iconic slice of automotive history. Accompanied by a file of receipts and invoices, this beautiful 1995 Mercedes SL320 Convertible is bound to be a fantastic investment piece that transports you blissfully back in time! Call 01202 878188 today for a virtual walkaround!
